WORK EXPERIENCE

Motive (Formerly KeepTruckin)

Sales Development Representative II (Senior)

Remote, CO

March 2023 – Present

Sales Development Representative

May 2022 – Feb. 2023

- Motive is a Cloud 100 technology company creating cloud software and IOT hardware for physical businesses.
- Averaging 120% quota attainment in a fast-paced setting with hard deadlines. Developing new business opportunities by averaging \$100K per month in qualified pipeline generation. High-output contributor.
- Documenting internal product updates and trainings to present user-friendly summaries to a sales team weekly.
- Product-focused, naturally curious, and customer-advocating. Collecting subject matter updates from multiple departments including Solutions Engineers, Product Onboarding, Customer Success, Sales, and Marketing.

Student PIRGs

Campaign Coordinator

Remote, MA

May 2020 – May 2021

- PIRGs is a bipartisan democracy engagement non-profit that hires campaigners across the nation.
- Drafted, edited, and formatted email campaigns for outreach to state policymakers and stakeholders in academia.
- Wrote creative copy and edited content for social media campaign ads in both text and image mediums.
- Provided feedback and evaluations to a team of 5 other interns. 25% of team's outbound calls were successfully registered to vote. Created a voter engagement presentation released in onboarding that reached 2,000 students.

T-Mobile

Product Expert (Mobile Devices)

Hadley, MA

Apr. 2019 – Dec. 2019

- Attained 100% of monthly quota for upsells, expansions, and product sold while putting the customer needs first.
- Identified and solved IT issues on client mobile devices: OS startups, network connectivity, freezes/crashes, etc.
- Closed service contracts for customers with accuracy, adaptability to their needs, and effective time management.
